Books and Publications. The Independent Institute is a non-profit, non-partisan, scholarly research and educational organization that sponsors in-depth studies of critical social and economic issues. The resulting studies are published and widely distributed as books, articles in The Independent Review, Policy Reports, Working Papers, and commentaries. These materials are disseminated via high visibility media/communications practices and can be evaluated not only by experts, but also by opinion leaders in the media, business, religion, and other fields, interested non-professionals who want to better understand the issues, and policy makers who seek to make intelligent choices between conflicting policy options.

4b (Code:) (Expenses \$ 601,163. including grants of \$) (Revenue \$)

Educational Materials and Conferences. To advance individual understanding of its mission, Independent publishes summaries of its work in the weekly email newsletter, The Lighthouse, and the quarterly newsletter, The Independent; sponsors special events and Independent Policy Forums to bring together scholars and policy experts to debate issues and discuss their implications; produces multimedia materials for distribution and use online as well as via CD's and DVD's; and maintains an extensive online archive of Institute articles, videos and studies on a variety of topics for research and personal education. Independent continues to enhance the educational website, MyGovCost.org: Government Cost Calculator, and its smartphone app, which helps visitors learn more about federal government spending and debt and its personal impact on their future.
