“*The Independent Review* is excellent.”

—**Gary S. Becker**, Nobel Laureate, University of Chicago

“*The Independent Review* combines scholarly excellence with literary elegance and always delights and challenges the reader.” —**Kevin Starr**, Former State Librarian of California

“I really enjoy *The Independent Review*”

—**Joyce Appleby**, Professor of History, UCLA

The *Independent Review* is the acclaimed, interdisciplinary journal devoted to political economy and the critical analysis of government policy. Unlike many journals, *The Independent Review* is superbly written, informative, provocative, wide-ranging, and based on solid scholarship.

Spanning economics, political science, law, history, philosophy, sociology, and related fields, *The Independent Review* boldly challenges the ways in which our civic culture is politicized, featuring in-depth, peer-reviewed examinations of past, present, and future policy issues by the world's outstanding scholars and policy experts. Written in clear, vigorous English, undaunted and uncompromising, this is *the* journal that is pioneering future debate.
