“The Independent Review is excellent.”
— GARY S. BECKER, Nobel Laureate in Economic Science

Transcending the all-too-common politicization and superficiality of public policy research and debate, *The INDEPENDENT REVIEW* is the acclaimed, interdisciplinary journal devoted to political economy and the critical analysis of government policy. Unlike many journals, *The INDEPENDENT REVIEW* is superbly written, informative, provocative, wide-ranging, and based on solid scholarship.

Ranging across economics, political science, law, history, philosophy, sociology, and related fields, *The INDEPENDENT REVIEW* boldly challenges the politicization and bureaucratization of our world, featuring in-depth, peer-reviewed examinations of past, present, and future policy issues by many of the world’s outstanding scholars and policy experts, and written in clear, vigorous English. Undaunted and uncompromising, this is *the* journal that is pioneering future debate!
